

Learn *Here* Real Heroes

Each year we take a moment to thank volunteers and staff who go above and beyond to make our community such a great place to learn. We call them Real Heroes.

CLARK COUNTY, WASHINGTON

Business leaders across Clark County appreciate our quality educational system. It is the foundation of vibrant, healthy communities where people want to live and employers want to operate.

Each honoree is deserving of our appreciation because their efforts foster a supportive culture and inspire others, even though none seek recognition for what they do.

The extra commitment of staff and volunteers is why we have such a great educational system today. They are the ones who champion modern facilities, innovative programs, and a diverse range of student support programs that make it possible for each student to thrive.

HERE ARE OUR 2022 REAL HEROES.
If you know them, say thanks. To learn more, go to www.discoverclark.org/learn.
